

Happy New Year Everyone!

After a very exciting Christmas in School, with Parties, Concerts and - we were told- a very special visitor in KS1 and Reception!.....We now step into 2016!

Hello

New Year in School is a time of promise, of planning , looking forward...with exciting events to come, lots of hard work, challenges and personal targets to achieve ! We are lucky in our School Community - with everyone working together for the benefit of our children- Governors, Staff, Parents, PTA, Parent Council; everyone is valued and appreciated for this.

The weather has challenged us in many ways during the holidays- here's hoping everyone has stayed warm and - most of all- dry.

As some roads and routes may still prove difficult , we will pass on any information by text or on the website. Please let Miss Redmayne know if there are any changes/closures.

Best Wishes for 2016
