

Hello,

- Our School Bank will be starting on the 18th September- Let your child start their own Savings account and see how the pennies really do mount up with regular saving! A fantastic and lifelong habit to start now. A huge ' Thank You' to our volunteers as they -together with Tracy Darwin from Unify- have made this possible! **Back to School notes:**

**Starting** times are as usual- children can come in from 8.50am and register at 9am.

**Parents please leave your child at the school door to come into school by themselves;** if you have a message for the classteacher please leave this with the member of staff who will be available 'on the door ' each day. **From** 8.50am onwards staff need to focus on the children as they arrive to ensure a calm start to the day.

**This** is part of our policy to Safeguard our children in school. It became increasingly crowded in school last year in corridors, classrooms and cloakroom at the start and end of the day; to improve this and make it safer for the children we ask for your help and co-operation.

**Pre-School** parents may accompany their child into school for the first 3 weeks to help 'settle in'.

**Absences** may now be reported on the school absence line, school number -Option 1 - please leave a message. Always let us know before 9am if your child is going to be absent -and why.Thank you.

**If** you need to see your child's teacher please come in and make an appointment through Miss Redmayne for a mutually convenient time at the earliest opportunity.( If you need to see your child's teacher immediatelyfor an urgent reason this will still be possible. )

**If** your child is late please come to the School Office to see Miss Redmayne and sign your child in.

**If** your child has an appointment in school time please sign them out at the office and sign in on their return.

**On the first day back only, Wednesday 2nd September, children will line up in the yard at 8.50am when the bell rings, in their new classes/year groups, to be brought in by staff.**
