CLEAN FOR  
THE QUEEN

As part of the celebrations for the 90<sup>th</sup> Birthday of HRH Queen Elizabeth II our school is going to be part of.....Clean For the Queen!

**Our Big Clean Afternoon will be on Friday 4<sup>th</sup> March.**

Each Class will have a specific area either around school, in Rivington Woods, along the Reservoir Paths to litter 'pick' ! We know this will make a positive difference to our local countryside! Our PTA are joining us too!

All parents and families are invited to join us- please let your child's teacher know by writing a note in your child's planner.

Please send your child to school in outdoor gear, with waterproof jacket , wellies or walking boots.

Children will be given safety guidelines on litter picking and will wear plastic gloves, with 'litter picker grabbers' for children to share.

Children are welcome to bring their own 'picker'/'grabber' to use.

**Come and be part of our Clean for the Queen!**

Our invitation from the Clean for the Queen Campaign.....

Dear Headteacher

In the run-up to The Queen's 90<sup>th</sup> birthday on 21 April 2016, we aim to inspire a million people to take action and enjoy a few hours together litter-picking to make the places where we live more beautiful. For Her and for us all, we want to attack the blight of litter and reclaim our beautiful countryside, our fabulous cities, our world-class parks, our wonderful beaches and waterways.

All of the country's litter charities have come together in support of this campaign together with a growing range of companies, land managers and associations.

There will be 'Clean for The Queen' litter blitzes throughout the UK in January, February and March, and the most monumental of all litter clear-ups from **Friday 4 to Sunday 6**

**March 2016**. The event does not have to be on this particular weekend anything taking place across this period can be included under the 'Clean for The Queen' campaign.

We'd love to have your personal support in making this event truly spectacular!

Working together we can make a real start in combating the scourge of litter and demonstrate that there are many, many people across the country who care passionately about the issue and are prepared to do something to help sort it out.
