

- Before you do, please think carefully...
- Approximately every 6 weeks your child gets a holiday from school work. Take your child on holiday at the right time.
- Your child only gets one chance at a school education!
- A day lost can't be repeated.
- What are they missing?
- Will they fall behind and struggle to catch up?
- Are you sending out the right message to your child?

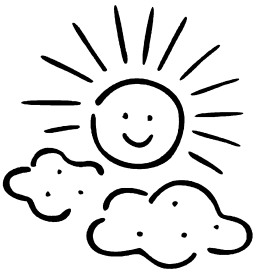

Thinking of Going on Holiday?

- To help your child do well in school you should...
 - Make sure that your child attends regularly and punctually
 - Avoid holidays in term time
 - Share with your child the importance of education
 - Never take your child out of school during test weeks
- **Parents must** seek school's permission for their child to be absent for a holiday during term time before booking the holiday.
- **School will** only authorise the absence if there are exceptional reasons for taking the holiday in term time
- **School will** ask parents to fill in a holiday request form.
- **School will not** provide work for your child for holidays in term time.

To help your child do well in school you should...
