

Hello ,

Here's hoping this finds everyone well!

Although we have had a really nasty flu virus going around school during the last two or three weeks; last week we had far fewer cases of either children or adults – so – hopefully it's moving on!

Hand washing and using tissues are even higher priority than usual- please keep your child stocked up with their own supply of tissues – and if you wish- hygienic hand gel. For use as well as- not instead of- hand washing.

Onto a lighter- and tasty – note!

The Pizza Reward afternoons have started with Y5/6 having a great time last week with Mrs Amanda Aitken! The pizzas were – in many cases- works of art and were, I am sure, delicious! Each class will have a Pizza making afternoon as reward for their commitment to our Healthy Lunches Initiative! Many thanks to Amanda Aitken giving her time –and advice – to school to embed Healthy Eating in school!

Our Packed lunches are still looking very healthy- with 'Just treats on Friday' being kept up by many families- fantastic! Thank you to everyone for keeping Healthy Lunches a top priority!

Every half term there is a House Points 'Count Up' . The winning House can choose a reward, that everyone in the House will enjoy! There have been some really imaginative ideaswith more to come !

From last term winners: Silver Birch House have chosen to have an activities hour with Mrs Davies and Willow House have decided to have a Treat making hour with Mrs Whittaker!

Next House Points 'Count Up' due soon!

Looking forward to many exciting events....

.....just take a look at the diary pages!
