

Hello Everyone

It's that time of year again with Christmas on the horizon; in shops, on television and still lots to do before we get there!

It's always an exciting time of year and a look at our diary confirms this!

Our hard-working PTA have no rest- it seems - until school closes at 3.30pm on that last afternoon of term and are looking forward to welcoming children, family and friends to their many events! As always, the PTA relies on the support of everyone in our school family-whether it's bringing in goods to sell at the Fair, attending events, volunteering to help..together brings success and fabulous fundraising; always with further benefits for our children in school!

I would just like to say a huge thank you on behalf of children and staff- to Helena -our PTA Chair and EVERYONE involved....wishing all success to these exciting forthcoming events. As always helpers and volunteers are always welcomed with open arms at PTA events- please contact Helena -or leave your name with us in school and we'll pass your message on! As always...

Lots to look forward to,

Lots to do!

Till the next 'Hello' !

Mrs L. J. Carter-Clavell
