11/04/2016 Break Up

25/04/2016 Return to School

Looking Good!

PLEASE NOTE

It is really good to hear the positive comments regarding our new uniform from children, parents, families and friends. I have had several requests for children to start wearing the new uniform in our Summer Term; some children are already growing out of their uniforms and will need a new size before the end of the year—also for others needing to buy new Summer dresses.

I have spoken with JADA and they are happy to support our move to the Summer Term.

Uniform can be ordered and bought now from JADA if you are hoping to do this.

Our New Uniform may be worn from Monday April 22nd.

Hope this helps if your child is needing new uniform before September .

A HUGE THANK YOU to our marvellous

PTA and everyone who volunteered to

help -for all their hard work during last
term—particularly up to Christmas!

* MANY THANKS TOO for all the support from Parents, children, families and friends; raising money to benefit all our children in school!

If you haven't been to a PTA meeting yet, the next one is on Monday evening at 7pm at the Bay Horse— everyone is welcome! Come along and join in!

^***************

Breakfast Club request to ParentsAs you come in with your child PLEASE close the door behind you and also as you are leaving.

Safety of our children is of paramount concern.

Thank You

Mrs Annette's Breakfast Booster

Y6 Booster class at 8.15am each Wednesday morning.

TaekwondoMessage from Mr Ellison 6th Dan!
Come and join in! Get Fit and learn Self Defence Skills
