

June Extra 2017!

Rivington Foundation Primary School

Support your PTA ! AGM Tonight!

7pm in School

Please come and support your PTA, all our children benefit from the money raised through PTA events and activities!

Firstly-huge thanks to Nikola our present Chair and all members of the committee; their amazing commitment to our school – this is much appreciated!

During this year our PTA has funded:

School Planners £400

Christmas Activities & Arts & Crafts resources. £600

Panto trip £971 (To keep costs to £10 per child)

Reading Comprehension Scheme & Digital resources £970

Swimming lessons travel help towards costs £1300

PTA donation to enable School trip costs kept to £10 per child per trip £1000

Also planned are funds towards a new Maths scheme , in the region of £1000, a Shed for Reception outside resources £300, plus Planners again in September and Swimming.

Awards For All Lottery Grant £10,000 includes new Dining Tables, New sound system, PHSE and Wellbeing Programme throughout School and with particular groups.

Without our PTA Contributions, our Parents would have to contribute more to trips . School would have to find the money to cover many resources bought by the PTA– this support is an essential support in these times of tight budgets!

School is incredibly grateful for this support and would like to say a huge thank you to our PTA!

As you can see our PTA work incredibly hard with you, our parents, to fundraise to support our children in many , many ways. We need Committee members each year who will give their time and effort to do this.

We are lucky that we have a dedicated group of parents who have done this tirelessly over the last 3 years.

These roles are demanding of time and effort and as such need to hand on to new Committee members at the AGM.

If you think you could be on the Committee, or help in any way at all, please come to the AGM tonight.

Everyone on the Committee presently will be happy to help and answer questions.
