

**Hello everyone!**

**It's hard to believe how time has flown, but here I am and it's time for our last 'Hello' !  
Being here for 16 years has been fantastic ! Time really has flown....it's being part of the'  
Rivington Family' ; a family that extends to all parts of our school community , a sense of  
belonging, of continuity.**

**Our children feel this too , when they leave to move on to High School and beyond ,  
they take this with them. This continuity moves through time - here at Rivington we are  
part of our Charter's promise ' Education.....to continue forever' .**

**It has been a huge pleasure and a great privilege to teach here, to be here as Headteacher. I  
have had immensely happy times , have had amazing children and colleagues, friends,  
throughout. With a supportive and dedicated Governing Body during my time as  
Headteacher I have been able to continue to move School on; always, as we ask the children,  
giving my best.**

**In handing School over to Mrs Annette, ( our present Deputy ) I am happy and confident in  
the secure knowledge that our next exciting step into the future is ready to begin...**

**As always... with much to do ...**

**And a last Goodbye**

**Mrs L J Carter-Clavell**
