

Acorns

Sadly the Childcare Committee has had to come to the decision to cease 2 year olds' childcare provision at the end of the Summer term ,with the closure of the Acorns unit. This was an extremely hard decision , made over a period of time after much difficult consideration , with no alternative.

This decision is no reflection on the outstanding quality of childcare provided by our very dedicated and highly experienced staff . The Childcare Committee would like to thank all staff involved with Acorns wholeheartedly ,for their total commitment and dedication to the children in their care in this nurturing setting, we are sure parents will join us in this.

Provision for 3 year olds, Breakfast Club and Late Stay is unaffected and will continue as usual.
