RIVIBETHAN UPDATE!

Our Heritage Rivibethan Project continues apace!

Working with artists and musicians from CreateBolton , our children are creating amazing works of art (you'll see the fabulous prints in both KS2 rooms) and learning to play the recorder– as Minstrels!

Everything is going to be part of our Elizabethan Day—on July 6th—to which our families are invited to take a glimpse into how life would have been when our School was first chartered. With many other parts of the project still developing; it promises to be a fabulous day!

Super news from JADA! Uniform Prices held for 2017!

Despite the current economic climate, combined with the 'Brexit' effect felt in different ways by companies local and national; JADA are honouring their promise to keep prices unchanged for our uniform for 2017. This is something to bear in mind when ordering during the year.

This is excellent news for our families and we want to say a huge
THANK YOU to JADA !

We will be given advance warning of any future increase from 2018 and JADA have assured us they always do their utmost to keep any cost increase to a minimum. (At present other schools' rises are on average £1 per item , with PE Hoodies £3 more).

P.E Hoodies....personalised!

There is now also the option of buying our P.E.Hoodies with your child's initials printed on the front right hand side. (Some High Schools have this) .

This option costs £15 and takes approx. 1 week from ordering, maybe less in summer. We will display an example in Y3/4 classroom window.

Thank you JADA for fantastic uniform of great quality!
