

Dear Parents

School has had a long-standing connection with the Rivington Terraced Gardens Trust. We are pleased the Trust is now back again, up and running and needs our help as a school and community! The Gardens are a fantastic resource that will be here for many years to come; being part of their upkeep and heritage is an amazing opportunity.

At different points over the year there will be opportunities for us to take our children to help with the Conservation work the Trust is doing.

Also, as families, you are invited to help with the Conservation project. Helen Thompson, is the Trust's Education Officer and our point of contact for School and families.

If you do go to help and would like to share a photo with school, please email it to me

head@rivington.lancs.sch.uk

and we will put it on the website!

Here's the latest message from Helen Thompson at Rivington Heritage Trust

And Twitter : Rivington TG

Hello!

We will be up in the Gardens on Saturday 4th March from 10am clearing the Great Lawn and creating a bonfire with the cleared vegetation. Hot food will be provided. Families are welcome.

We are asking that people get in touch if they plan to attend so that we can plan numbers for the food .Please email:

Helen.Thompson@groundwork.org.uk

We will be hosting activities on the first Saturday of every month for anyone to get involved in conservation tasks. Other opportunities also run on weekdays.

Please come and join in – help to make our gardens great again!

Many Thanks

Helen Thompson

School will email out any further information about the Gardens as we receive it. Here's to the continued Conservation of Rivington Terraced Gardens!

Many thanks!

Mrs L J Carter-Clavell
