

Parents' Evening

Monday 18th July

On Monday 18th of July we will be holding our last parents' evening of the year. Attendance at this evening is optional.

It is an opportunity for you to discuss any particular concern or worry about your child in school.

If you are quite happy with their year's work then there is no need to book an appointment.

It is possible that even though you are unaware of any concerns, your child's teacher may wish to discuss things with you. If this is the case then they will be in touch with you directly.

If you do wish to be given an appointment then please return the slip below and you will be sent an appointment time.

Times available between 3.40 and 6pm

✂ _____

Name of child -----

Class-----

Preferred time

We will do our best to give you a time that is convenient. If there is a problem your child's teacher will contact you.

Signed _____(parent / carer)

Your child will bring home their report. Please keep this copy at home as we hold copies electronically in school.
