

Annual Sex and Relationships Education
Information for Parents.

Our sex education programme of lessons are to be taught next half term in all classes.

This information evening is an opportunity for parents to view materials that are used in lessons, ask any questions that you may have and have an informal discussion about what we do. Most of the session is focused on the Y5/6 curriculum but reference is also made to the areas covered in the younger years.

At Rivington we see the delivery of SRE as a partnership between school and home so we hope that you can join us for this meeting.
