Dear Parents and Carers

As e-Safety is a priority for anyone who has children in their care, as a school, we take our responsibility to educate children and also families, very seriously.

Technology moves faster than we can often keep up with and usually, children are much better informed than their parents. Issues (from home) have arisen during this year, that show how the dangers of the Internet can enter our children's lives; particularly where parents have not been fully informed about the actions their child is taking, online.

As 'knowledge is power', the more that parents know & understand about (Digital) e-Safety, the safer their child will be.

To that end, School has organised an eSafety Day organised and led by O2  
for children & parents/carers on  
Wednesday June 10th.

Children will be taught about online safety during the day-  
KS1 by their teachers and KS2 by e-Safety Staff from O2.

On the same day we would also urge you to attend one of the e-Safety Digital Workshops for Adults-  
Parents/Carers/ Grandparents –everyone welcome.

We have afternoon and evening Workshops; these are bridged by a Presentation about the dangers of being online, controls, what to do if in doubt.

The O2 Gurus will be at both Workshop Sessions to advise and assist with the practical aspects of Digital Safety. Please bring any device that you would like help with, concerning parental controls, filters, etc.

To help organise the afternoon and evening, please **sign your name on** which session you will be able to attend and **return this to school by Friday May 22<sup>nd</sup>**.

Either        Session 1 \_\_\_\_\_ (name here)

4-5.30pm I will be attending the Workshop with the O2 Gurus for practical advice/ information.

5.30-6pm I will be attending the Presentation about eSafety and the dangers of being online

Or            Session 2 \_\_\_\_\_ (name here)

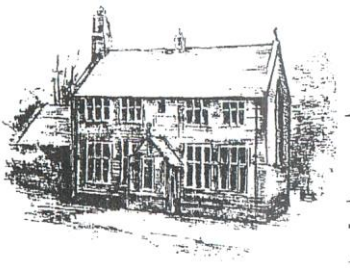

5.30-6pm I will be attending the Presentation about eSafety and the dangers of being online.

6-7.30pm I will be attending the Workshop with the O2 Gurus for practical advice/information

**If your child has- or will have- access to any device that can connect to the Internet, it is in their interest that you attend.**

**Thank you- we are working together to keep our children safe.**
