## KATE!

### Fantastic news from the FBA (Fantastic Book Awards)!

A group of our Y5&6 children have been enjoying the FBA book challenges throughout the year, with Mrs Roberts by their side. The FBA project is run by the Schools' Library Service, with schools across the County reading and voting on their favourite books.

Congratulations to Kate Hiller Y6 who won a prize in the recent FBA competition! Kate's amazing Poster promoting one of the books won a marvellous book-filled bag of goodies!

The FBA readers received Goody Bags for their year-long commitment to the FBA project!
