Please help support our Fair and Fundraising ...

The more we have to sell, the more money we raise for our children in school..eg In the last few years the PTA have.....kept the cost of school trips to £10, kept swimming costs to parents down, funded Sports' trackies and hoodies for the team, funded the Reading Scheme & Maths scheme (over £1000 each scheme).

The PTA helps school to afford things that otherwise we would have to wait a long time for.....

Many Thanks

Mrs L J Carter-Clavell
