

# Rivington Foundation Primary School

## HOME-SCHOOL-CHILD

### AGREEMENT 2015

We know that the successful education of your child is a partnership of mutual support between Home and School. Values and expectations shared at Home and School give children stability and security .

In our School each child:

- Has a right to learn, develop and thrive in a stimulating and caring environment.
- Knows they are valued for their own merit ; whilst respecting others for their contributions.
- Develops a understanding of our changing world and environment; together with an understanding of their responsibilities as citizens.

*Headteacher's signature*

### Family responsibilities

#### We agree to:-

- Ensure our child attends school regularly, on time and "ready to learn".  
*Children can come into school from 8.50am to 9am.(Before 8.50am please book into Breakfast Club)*
- Avoid taking holidays during term time as we understand the negative impact that time out of school has on children's learning.
- Telephone school on the first day of our child's absence. Let the school know about any concerns, problems or changes in our family circumstances that may affect our child's work or behaviour.
- Respect, support and uphold the school's policies and rules, including behaviour and anti-bullying policies.
- Support our child reading and (from Y1) their practise times tables every day and also with their homework .
- Attend parents' consultations about our child's progress and effort.
- Ensure that our child wears the correct school uniform and school PE/Games kit .
- Ensure that all clothing and property is marked with our child's name.
- Uphold the ethos of the School's Healthy Eating Policy and reflect this in our child's packed lunch where appropriate.

#### **Social Media**

#### **A friendly request!**

**Please do not request teachers at school to be a 'friend' on social media as they cannot accept.  
Please always use Social Media responsibly and keep close regard for internet safety within your family.**

**Our Child** (name).....

**In School I will:**

- ◆ Listen to my teachers
- ◆ Do as I am asked.
- ◆ Treat everyone with good manners and respect.
- ◆ Be a good friend.
- ◆ Always try my best.
- ◆ Take good care of the equipment, building and grounds.
- ◆ Let an adult at school know of any problems that worry me.
- ◆ Only handle other people's property with their permission.
- ◆ Obey all school rules.

Please talk about what the above points mean with your child

**Signed** (Parents and child).....

We are all working in partnership for the benefit of our Rivington Foundation Primary School children.

- Our new Planners are a visible part of this partnership and each child will need their Planner returned to school daily.
- Please help your child care for and use this Planner to its best advantage; as communication between home and school and for information.

Many thanks to our PTA for funding the Planners.

This is an expensive commitment, so if your child needs a replacement planner there will be a charge of £5 for a new one.
