Hello to all our Rivington Families and Friends, both old and new....

Welcome to our amazing new website!

A Rousing Rivington Thank You to Emily Edwards Ltd Website design team and especially Nick, who has been our Consultant through the whole process. Everything we wanted in our website is there and many, many thanks to Nick for making it all happen! Particularly for the support and patience in training Mrs Carter-Clavell to be able to use all these amazing features!

We love our new website and hope you will too. There's Rivvy the Squirrel (I'm sure you've seen him or one just like him around our grounds) and more widely, the site's design and organisation, there are opportunities to share and celebrate everything that makes our school the fantastic place it is!

From the Welcome Page, where you will find the Diary (which updates the noticeboard on the Home page), each section provides information on different aspects of School life, with links and documents for your information.

Coming very soon- Class pages, Childcare, Governors and PTA are to be updated by their own teams, meaning that you have the information/news/photos as soon as they do!!

Our website will develop as time goes on, perhaps you have an idea or news for one of our pages now? This is an exciting new part of our School; one for everyone to be part of and benefit from!

With all the best of Website Wishes!

Mrs L. J. Carter-Clavell
